Letters A/c C 640/42-43 26 10 42, requesting sanction to the resolution of the Chickballapur Town Municipal Council, to waive the audit objection on expenditure of Rs 225/- for purchasing furniture to the office

I the resolution of 26 6 40 of the Chickballapur Town Municipal Council was that furniture at a cost of Rs not exceeding Rs 300/- may be purchased. But the furniture purchased incurred an extra expenditure of Rs 25/- and added to this, the purchase was not made according to the prescribed rule, as observed in the Audit note

W' ✓ Whether the irregularity may be condoned

A-G-D in view of the circumstances of the case is known

as Rs 325/ Hence the conditions prescribed in the Statute should have been observed. The audit objection in question is quite valid.

It is however seen that the Board in their resolution dated 26-6-42 authorised the President specifically to effect the purchase — & that the President acted accordingly — on the resolution. In the circumstances of the case the action of the Board dated 31-8-42 that the Sanction of Govt be obtained for having purchased the furniture in question may perhaps be sanctioned, with the observation that the irregularity should not have been allowed to occur

Subject - Purchase of furniture by the Chickballapur Town Municipal Council without calling for tenders

---

Sir,

I have the honour to state that the Town Municipal Council, Chickballapur at their meeting held on 26-6-40 resolved that furniture for the use of meeting hall and the Municipal Office was necessary and that the President might purchase the necessary furniture for a sum not exceeding Rs 300/- The president purchased the furniture from Messrs Saleh Ahmed, Bangalore and paid Rs 325/- (Rs 300/- towards the cost of furniture, Rs 25/- towards th the conveyance charges from Bangalore) in full satisfaction of the demand for R 340/-

During the inspection of the Municipal Office by the Assistant Comptroller on 12-2-42, it was observed that inderts were not called for from approved firms as required by section 38(5) of the Town Municipalities Act and that sanction of Government is therefore necessary for having pruchased the furniture without calling for tenders which is a violation of the prescribed rules

The Audit objection was considered by the Municipal Council at their meeting held on 31-8-42 and it was resolved that sanction of Covernment might be obtained for having purchased the furniture without calling for tenders The President has reported that as it was proposed to purchase special chairs and table for the meeting hall he personally made enquiries in some of the leading firms in Bangalore and placed orders with Messrs Saleh Ahamed whose quotations were reasonable He has further stated that as the furniture was specially made for order no quotations could be called for and that the furniture was got direct from the firm loaded in a lorry, so as to prevent damages in transit He has also stated that the chair not

selected

selected was replaced by the firm as observed in the Inspection notes and has requested sanction of Government for having purchased the articles without calling for tenders

In these circumstances, I request that sanction of Government may kirdly be obtained to the resolution of the Municipal Council An extract from the notes of Inspection of the Assistant Corptroller and extracts from the resolutions of the Council are enclosed for favour of reference

I have the honour to be,
Sir,
Your most obedient servant.

Deputy Commissioner,

Objection No 5

On 3-8-1940 a sum of Rs 325/-was paid to a firm in Bangalore for the supply of rose wood furniture to the office Tenders were not called for from approved Firms as required by Section 38(5) of the Town Municipal Act The firm was not asked to quote its rates for delivery at Chikballapur nor did it quote this rate when replying to the enquiry,In addition to the cost of the furniture of Rs 300/-a sum of Rs 25/-was paid to the firm as convey--ance charges from Bangalore It is likely that the conveyance expense fully or partially could have been saved if the firm had been definitely asked to quote its rate F O R Chikballapur One of the chairs not being the one selected,it was asked to be replaced when sending the cheque to them Whether it was replaced or not is not clear When the selected chair was not sent,why pay--ment was not deferred till it was replaced is also not clear Therefore sanction of Government may be obtained for the purchase of the articles without calling for tenders which is a violation of the prescribed rules
